"But not anymore."

I had a fight with Himari-chan.

Since that day

until today,

we never contact each other

Haa...
Shioka-kun too,
And the new school term came
My feet are heavy...
"You like Shioka-kun, right?
he found out my feelings.
Facing him is hard...
What should I do...

Kuri-
yama.
...You
know,
I want to
talk properly
about the
other day
O-
other day
when...?

...You do understand what I mean, right?
I-
it's fine!
I already know Shioka-kun's answer,
so I don't need you to tell me...!

hah
I understand,
then I'll treat it as something insignificant as well
Ah...
...What the heck is that
Next week is already sport festival, eh
What are we going to do for the preparation?

Let's decide it together!
ガタッ
Please!
Waaa
Waaa

Our class is quite fast at the relay, isn't it?
We maybe can win this sport festival!
But class 3 seem so strong too, oren't they
Class 3...
peek
.....
Ne, Konno-san!
You're un-expectedly fast!
Eh
Also, when you passing the baton you always said "Please!", right?
Ah!
So polite
lol
A ha ha
I'm sorry
Nah~
It's simple... but it does rise up our spirit

Also, I've been wondering abaut it, you see
But Konno-san, aren't you becoming so cute recently?
Eeh!?
I thought so too!
Don't tell me, you're in love with someone!?
A ha ha
Bingo~!
Eeh, who!? Is he from our class!?
No, he isn't
I have some great natural mascara
I'll show it to you later
Ari-gatou
By the way,

isn't it our first time talking something like this?
Slowly but surely,
time passed
1 - 3
Recently Himori-chon didn't come here at all, did she~
What happened before summer holiday, isn't that the reason?
Even if I tried to talk to her,
I didn't know what should I say

If that becomes the normality
Nee~ Konno-chan!
Himari-chan,
I wonder if she doesn't need me anymore now

Hima-chan, she already got new friends
ぴくっ
スキ…
Nee
Nana-chan
Even though Nana-chan said that Hima-chan was her best friend until like that
She's sa mean...

you should forget about her
About Hima-chan,
Friends who break off friendship because boys, they aren't real friends
...No
Eh?
What Nano-chan wants to do
That's why I didn't invite you to the amusement park
Because I don't want Nano-chan lying supporting me
It's not for my sake...
but for your own, right...?
Even if you tell me "Good luck" in such a troubled face
I won't be happy

I'm sure there was a way we could finish our problem
without our friendship broke
Ah
Using "It's for Himari-chan's sake" as excuse,
I was only protecting myself
I was only making myself more hateful

did a cruel thing to Shioka-kun
Nana-chan...
I'm fine
I
I also

Shioka-kun
I have something to talk
I'm sorry for the other day!
...Well, I don't

Even though Shioko-kun
wos going to properly respond to me
Maybe
I like Shioka-kun
Even though Himori-chon
had properly told me her feelings too
I wos the only one
who wos being a coward and ran away.
I even until treated my important feelings
as something insignificant..
It's late but please hear me out...!
and venting it to others

I,
like Shioka-kun...!

I can be here as the way I am now
is because Shioka-kun was there
These feelings aren't something insignificant..!
You're slow

It has been properly conveyed
But,
I can't answer Kuriyama's feelings with the same way

I'm sorry
...Yeah
Thank you for your answer
Ukh
Yeah, you really are
...Also, because I'm so suck at many things and troubling you, I'm so sorry

But,
if it's you, Kuriyama, you'll be fine, right
*Himari

Nana
I confessed to Shioka-kun and got rejected
I was making it as if it was your fault, I'm sorry
Let's be myself
that even if Himari-chan isn't alone,
is fitting in her class is a good thing
was making it was your fault, I'm sorry

to be friends with me again
she'll still want

Let's decide who will be in the charge of drowing the bonner
Today, let's turn our attention to the fall's sport festival

Ah, those who are in the art club are abligated to participate, okay
Eeh~
Once more,
Anyone else~?
It's just another 2 people~
Eeh~ No way~
I'll do my best in this class

勝利へはばたけ
It's an important job to raise up our class' spirits!
Is there anyone who'd like to do it~?

I'll do it...!
Hail
One more...
Ooh, thanks!
It seems fun ♡
Yuyu will do it too!

Let's work together, Nana-chan ♡
Is it akay far Yuyu-chan ta be in charge?
She might do something strange again
But I don't want to replace her so
It's okay, I guess
...Yeah
Then everyone, show your sketch for the bonner's design
Ah

Isn't Kuriyama-san's quite good?
You're right
It's cool
I got praised, so rare..!
Ah,
but it maybe a little too simple
!!
Oh,
this one is better!
Wow, this is a master-piece!
It's worth it!
Whoaa!
Then, let's decide on this!

Well...
Of course it won't be going that easy
that even I can do
Guys, the red paint has run out~
Even though it's not anything special,
Ah
I brought it!
Let's find the things
We're saved!

It's almost finished!
Looked from ofor, it's super cool!
As I though, club art members are amazing
Nah,
Kuriyama-san had been working really hard too, right
You helped us a lot

COLOR
Black

What the hell are you doing!?
Eh
Hah!?
Yuyu accidentaly tripped..
Wai-
It's on the moin port moreover!
Seriously?
Black paint, it can't be repaired, right?
Then, we have ta redraw it fram the scratch!?
Can we make it on time!?

Gomen-nasai!
It's Yuyu's fault,
that it becomes like this
What should we do.....
Hah,
How about if we change it to Nana-chan's design?

Yuyu...!?
.....Eh?
Because redoing it from now is impossible, so...
Everyone also said it, right? That Nana-chan's design was good
Well...
Kuriyama-san's design is easy ta draw but...
If Yuyu-chan could say that,
then you do everything yourself!

I'll do it!
If it keeps like this...!
We worked really hard to draw it but now...
The tension has fallen now
No...
I'll stay here longer than anyone else to draw it so
let's stick with this design!

Can't we do that?
We can, but
Well
Even though
it was going so well...
haah
Yuyu
Aa~ah

Even though it was a chance for Nana-chan's to use her own design
Yuyu understood, Nana-chan
that you were disappointed when your design wasn't chosen

Why...
Don't tell me, she really did it on purpose..!?
Eh...?
If you're doing something like this,
you won't be trusted by everyone even more, you know...!?
Yuyu doesn't need other girls' trust

even though Nono-chon told Yuyu that Himo-chon was so important for you,
Hima-chan too,
your friendship with her quickly fell apart, right?
And our class-mates,
they're also so fickle
That's why, Yuyu doo~esn't need them
